EMA Director's Report

Director Schleper also commended the county board as well echoing Sgt Perez/s comments. The upgrades will enhance communication ability of mobile unit "Irma" and Ema facilities.

Tim also recommends the board approves adopting the Clinton Co Multi Hazard Mitigation Plan.

Sheriff's Report

Sgt Perez represented the Sheriff's department reported:

On behalf of Sheriff Travous, the sheriff's department and all emergency management personnel throughout Clinton County, Sgt Perez applauded the county board, and specifically the radio committee for standing firm on the commitment of the new radio tower project. Denny noted there will be one deputy retiring and one dispatch trainee going fulltime in April. The new maintenance director is already making huge strides in needed repairs, upkeep, and upgrades to county facilities. The Karina's law is now in effect. I ask Sheriff Travous to elaborate on this law.
